

Athlete / Family Membership

Dear Paddlers and Paddler's Families,

Team Colorado Whitewater Racing (TCWR) provides paddling opportunities including practices, racing, and coaching. TCWR also organizes events and provides the administrative overlay that makes the sport possible. To participate, each paddler **MUST** become a TCWR member. We also encourage families to join and support our cause.

Memberships are \$50 for each athlete or \$150 for each family.

In order to paddle during TCWR training or events, all TCWR Athletes must have an ACA Competition membership so that TCWR remains in compliance as a Paddle America organization. Please list Team Colorado Whitewater Racing as your paddle club on your ACA membership application. Here is the link to obtain that membership: https://www.americancanoe.org/general/register_member_type.asp

Waivers are also necessary before participating in any organized training or paddling events. All athletes and families must read and understand the waiver before signing. The ACA Online Waiver is provided here. <https://waiver.smartwaiver.com/w/5e29c3ceb21d8/web/>

TCWR Athletes (including minors), coaches, judges and chaperones must complete the ACA Safesport training: <https://www.americancanoe.org/page/SafeSport>. This must be completed within 5 days of obtaining your ACA Competition membership.
